Community Support Request Form

Sanborn Orthodontics is pleased to support a variety of educational and community organizations through sponsorship advertising. To submit a community support request, please complete an "Application" and either fax it to 252-727-0473, e-mail it to Community@SanbornOrthodontics.com or mail it to:

Sanborn Orthodontics
Attn: Community Support Request
167 NC Highway 24.
Morehead City, NC 28557

Please allow 2 weeks for a response

Notes:

1. All requests require a completed Application (page 2 of this document).
2. Due to the overwhelming sponsorship and advertising requests we receive, first priority will be given to patients who are currently in orthodontic treatment.
3. While we are pleased to sponsor your organization, we ask for your understanding that it is not possible to approve all requests which are received. As with any business, we have an advertising budget that dictates how much we can annually spend.
